

SHEDS

City of Allen Park

Building Department
16850 Southfield Rd. Allen Park, MI 48101
Phone: 313-928-4443

Wood or metal sheds must be built on a concrete slab at least 3 ½ inches thick with a 12 inch deep rat-wall at least 6 inches wide.

Building in an easement is NOT permitted.

The shed must be at least 10 feet away from the house

The shed must be at least 2 feet away from any property line: 3 feet away if there is a window in the wall facing the property line.

A drawing of the lot and all structures (including the proposed shed) and paving (with dimensions) **MUST BE SUBMITTED** with the permit application in order to determine lot coverage and rear yard, open space coverage.

Maximum shed size is: 12' x 12'. The allowable height is 15'.

Plastic sheds with built-in floors do not require a foundation or a permit.
