Re: City Administrator's Report to Council

1. The Building Department has received notification of a road closure for Roosevelt Avenue that is scheduled to start on Thursday, February 24th and last approximately 14 days, plus time for hard surface restoration.

Corby Energy Services will be doing work for DTE that is going to require the road to be closed down in order to get the project completed.

Road closure and detour signs will be posted along Southfield Road. As Roosevelt Avenue is part of the Truck Route, the recommended detour is Southfield Road, Dix-Toledo Road, Northline Road, Allen Road, and Pelham Road.

We have posted this information on the various City Facebook pages. APPD, APFD, and DPS are aware of the project and detour information.

2. Congratulations to Tom Murray for being elected as the Vice-Chair of the Downriver Community Conference (DCC) DPW-DPS Consortium Group.
3. Matt Baker and the Building Department are ready to start the Home Sale Inspection program on March 1st.

4. The next edition of Allen Park Today will deliver the week of March 14th.

5. The following employees have or will reach a milestone in years of service with the City –
