Re: City Administrator's Report to Council

1. Wayne County continues to make progress on the Moran Avenue Bridge over the Sexton and Kilfoil Drain (near Goddard & Old Goddard), but the road remains closed until mid-November.
2. Street Improvement Millage: Hanfor Avenue – GV Cement has poured all the concrete, except the intersections at Laurence and Roger.
3. Street Sectioning: The Contractor (Savone Cement) has finished the repairs on Quandt Avenue from Southfield Road to Dasher Avenue, and the street is now open again.
4. Savone Cement is working on the Utility Repair list throughout the City that resulted from recent water main breaks.
5. Al's Asphalt is planning to start paving Park Street on Thursday –weather permitting. The paving of the Millward Park parking lot should occur a few days later.
6. The Emergency Loan Fixed Interest Rate Reduction was approved by the State of Michigan. This rate reduction will save the City \$13,909.07.
