UNITED STATES

245,442 Confirmed
6,098 Deaths

MICHIGAN

10,791 Confirmed
417 Deaths

OUT-WAYNE COUNTY

2,310 Confirmed
94 Deaths

SITUATIONAL AWARENESS

- Governor Whitmer signed Executive Order 2020-35 suspending all in-person K-12 education for the remainder of 2019-2020 school year. A remote learning program for students is in development and teachers and other school staff will continue to be paid. https://www.michigan.gov/whitmer/0,9309,7-387-90499_90705-524032--,00.html
- Blue Cross Blue Shield of Michigan has stated it will waive all member copays, deductibles and coinsurance for COVID-19 testing and treatment of COVID-19 symptoms, now through June 30, 2020. The coverage applies to commercial PPO, Medicare Advantage PPO and HMO plans. Lab tests must be physician-authorized, and testing and associated services must be consistent with CDC guidelines.
- Worldwide, over 1 million people have tested positive for COVID-19 and over 54,000 people have died.
- President Trump has been re-tested and results came back negative.

ACTIONS TAKEN

- State Senator Stephanie Chang hosted a Tele Town-Hall. Panelists included Wayne County Public Health Officer Carol Austerberry and Medical Director Dr. Ruta Sharangpani.
- The Public Health Emergency Operations Center (PHOC) is at FULL ACTIVATION.

STRESS & COPING

Disaster Distress Helpline: 1-800-985-5990

National Domestic Violence Hotline: 1-800-799-7233 and TTY 1-800-787-3224

The outbreak of coronavirus disease 2019 (COVID-19) may be stressful for people. Fear and anxiety about a disease can be overwhelming and cause strong emotions in adults and children. Coping with stress will make you, the people you care about, and your community stronger.

Everyone reacts differently to stressful situations. How you respond to the outbreak can depend on your background, the things that make you different from other people, and the community you live in.

Stress during an infectious disease outbreak can include

- Fear and worry about your own health and the health of your loved ones
- Changes in sleep or eating patterns
- Difficulty sleeping or concentrating
- Worsening of chronic health problems
- Increased use of alcohol, tobacco, or other drugs
