- Governor Whitmer announced that she is leading a coalition of 12 governors who are calling on President Trump to increase access to affordable health care by opening a special enrollment period during this crisis.
- DTE will deliver 2 million N-95 masks to Michigan, in addition to the 300,000 they have already delivered.
- Michigan Department of Health and Human Services (MDHHS) has launched a statewide hotline (888-733-7753) for those whose mental health has been impacted by COVID-19.
- County jails in Metro Detroit are reviewing cases of nonviolent offenders and those with medical conditions on a case-by-case basis for possible early release due to the COVID-19 outbreak.
- China's National Health Commission has stated that it has approved two (2) vaccines for human trials. Outside of China, the U.S. is the only other country in process of human-testing a vaccine.

ACTIONS TAKEN

- The Public Health Emergency Operations Center (PHOC) is at FULL ACTIVATION.

STRESS & COPING

Disaster Distress Helpline: 1-800-985-5990

National Domestic Violence Hotline: 1-800-799-7233 and TTY 1-800-787-3224

The outbreak of coronavirus disease 2019 (COVID-19) may be stressful for people. Fear and anxiety about a disease can be overwhelming and cause strong emotions in adults and children. Coping with stress will make you, the people you care about, and your community stronger.

Everyone reacts differently to stressful situations. How you respond to the outbreak can depend on your background, the things that make you different from other people, and the community you live in.

Stress during an infectious disease outbreak can include

- Fear and worry about your own health and the health of your loved ones
- Changes in sleep or eating patterns
- Difficulty sleeping or concentrating
- Worsening of chronic health problems
- Increased use of alcohol, tobacco, or other drugs
